Dear Colleague

It is a great pleasure for me to recommend Mr. Nima Majidi , one of my best B.Sc. students at Ferdowsi university of Mashhad.

Mr. Majidi:

1. has passed the B.Sc. course (electric circuits), taught by me with first grade in the class (19.75 out of 20);
2. has passed, as a B.Sc. student, the computer Artificial Intelligence graduate course (information theoretic learning), taught by me with first grade (19 out of 20) among graduate students;
3. has been my teaching assistant for the B.Sc. course (electric circuits) in two semesters.
4. Is working for his B.Sc. project under my supervision, on some applications of information theoretic learning in biomedicine.

Due to the above and remarkable scientific facts, I recommend Mr Majidi for pursuing his studies toward M.Sc. and Ph.D. degrees and I am certain that he will be successful in his future works.

Best regards
